4. Be sure to bring along the book featuring that character.
5. After our short presentation, our preschoolers and their families will line up for a character book parade around the DUSD Board Members.

Please note, talk to your child’s teacher if you want to check out a book from our collection!

Also, the board meetings are available via live stream, and our presentation will be broadcast online in real-time on YouTube.

We are looking forward to seeing you there!
